

## Relationship Skills

### ABOUT MOVE THIS WORLD

Move This World cultivates the development of social and emotional learning (SEL) skills to empower students to navigate the complex and rapidly-changing realities of our world. An SEL program that has impacted the lives of over one million students across 35 states, Move This World provides educators and students with a robust, daily curriculum designed to strengthen social and emotional wellbeing in order to create and maintain healthy environments where effective teaching and learning can thrive. Move This World's extensive online library of PreK-12 videos and resources are rooted in creative expression and designed to help students develop a common language to improve communication, build trust, and create stronger communities.

# Nicely Nicely

by Move This World

# Nicely Nicely

## Primary Competency:

- Relationship Skills

## How *Nicely Nicely* Impacts Students:

Nicely Nicely helps students build stronger relationships by developing cooperation and communication skills. Students will be prompted to think of ways to show their peers kindness or appreciation using sentence starters from the videos. Teachers will call on students to share their sentences about others in the class.

## Skills:

- Cooperation
- Communication

## How to facilitate *Nicely Nicely* in your classroom:

- Load the video before students come into the class & check that the sound/volume is working.
- Students will need a piece of paper and something to write with for this exercise.
- Students can complete this exercise sitting at their desks.
- Follow along with your students! Reinforce these skills and model active participation.

## ENGAGE STUDENTS FURTHER WITH NEXT-LEVEL PROMPTS:

- How does showing others kindness and appreciation help to build a stronger and more supportive classroom and school community?
- What can you say to your teachers to show them kindness and appreciation?
- How did you feel doing this exercise on Day 1? How did you feel doing this exercise on Day 3?
