

DESSA DATA DEEP DIVE

Use the **DESSA** to inform data-driven next steps for systems, climate, and practice.

SYSTEMS: PBIS & MTSS

PBIS

- Use the DESSA sentence stems to align DESSA skills with your PBIS matrix.
- Compare the My Students report with PBIS report data and determine next steps.

MTSS

- Use the DESSA-mini data and SEL Strategies for universal programming.
- Administer a full DESSA and consult the Competencies Report for Tier 2 targeted intervention.
- Use the Individual Item Analysis for Tier 3 support.

CLIMATE

- Compare DESSA data to graduation, drop out, and absenteeism rates.
- Compare DESSA data to referral and suspension data.
- Compare DESSA data to climate survey data.
- Create a school improvement goal around DESSA implementation and outcomes.

DESSA DATA DEEP DIVE

Use the **DESSA** to inform data-driven next steps for systems, climate, and practice.

PRACTICE: INSTRUCTION

ACADEMIC DATA

- Align DESSA rating windows with academic benchmarks to optimize data collection and analysis.
- Use academic and DESSA data to inform instruction.

STUDENTS WITH DISABILITIES

- Use the Individual Item Analysis to record a student's current state of performance and to create an IEP goal.

PORTRAIT OF A GRADUATE

- Align DESSA competencies with College and Career Readiness standards.
- Use the alignment for students from K-12 to help students prepare for their future.
